

ARMORSEAT™ GGR SERIES CHAIRS

Polypropylene seat and backrest with reinforced composite base.

Available in standard, ready to ship colors: black, navy and burgundy or in custom colors, four different base styles, and multiple options for seat height ranges and custom casters.

The ArmorSeat GGR Series is the multi-purpose seating solution for almost anywhere: schools, colleges and universities, pathology and clinical labs, industry and manufacturing, hospitals, office and even retail environments.

STANDARD FEATURES

Backrest: 16" wide x 10.75" high.

Seat: 17.5" wide x 15.5" deep.

Controls: Standard with Task Control – Soft-touch pneumatic seat-height adjustment, fixed rearward seat tilt of 6°, backrest tilt, backrest-height adjustment.

Base: Reinforced composite base with 25.6" diameter; features high-profile Euro-look and T-shape construction for added strength and easy cleanability.

Casters and Glides: Dual-wheel, non-marring polyurethane casters resist movement when the seat is unoccupied.

Standard Feature Note: Antimicrobial properties standard in every seat and back. UV inhibitor standard in every seat and back.

Metal Parts: GGR Series chairs have a black powder-coated finish as standard or a chrome-plated finish when specified with a C option code (base remains black composite with the C option).

Warranty: 13 years.
