

# ARMORSEAT™ GGS SERIES CHAIRS

Polypropylene seat and backrest with powder coated tubular steel base and foot ring.

Available in standard, ready to ship colors: black, navy and burgundy or in custom colors, four different base styles, and multiple options for seat height ranges and custom casters.

The ArmorSeat GGS Series is the multi-purpose seating solution for almost anywhere: schools, colleges and universities, pathology and clinical labs, industry and manufacturing, hospitals, office and even retail environments.

## STANDARD FEATURES

**Backrest:** 16" wide x 10.75" high.

**Seat:** 17.5" wide x 15.5" deep with waterfall front.

**Controls:** Standard with Task Control – Soft-touch pneumatic seat-height adjustment, fixed rearward seat tilt of 6°, backrest tilt, backrest-height adjustment.

**Base:** Rugged 5-legged tubular steel base with 23" leg spread and 21" diameter attached footring.

**Casters and Glides:** Dual-wheel, non-marring polyurethane casters resist movement when the seat is unoccupied.

**Standard Feature Note:** Antimicrobial properties standard in every seat and back. UV inhibitor standard in every seat and back.

**Colors:** Black, Navy and Burgundy standard. Custom colors available.

**Metal Parts:** Armorseat GGS Series chairs have a black powder-coated finish as standard or a chrome-plated finish when specified with a C option code.

**Warranty:** 13 years.

Shown with optional chrome-plated metal parts.
