

CEREX™ CXA SERIES STOOLS

Sturdy wide aluminum base/round self-skinned urethane seat.

Choose Cerex CXA stools for top performance in a wide variety of environments including: industry, education, laboratory, clean room, anti-static and healthcare.

Cerex stools are standard-equipped with round, 14" diameter x 1.5" thick, self-skinned urethane seats and soft-touch pneumatic controls. Select from four available bases and customize with performance options.

STANDARD FEATURES

Seat: Round, 14" diameter x 1.5" thick, self-skinned urethane.

Controls: Soft-touch pneumatic seat-height adjustment.

Base: High-profile, Euro-style cast aluminum base with 25.6" diameter; T-shape construction provides added strength and facilitates easy cleaning.

Casters and Glides: Dual-wheel, non-marring polyurethane casters resist movement when the seat is unoccupied.

Metal Parts: Cerex CXA Series stools have a black powder-coated finish as standard or a chrome-plated finish when specified with a C option code (aluminum base has a polished top with the C option).

Warranty: 13 years.
