

Model shown has optional chrome metal parts.

FCW Vacuum-Formed SERIES CHAIRS

Ergonomic backrest with sewn seams and waterfall front/5-legged polished aluminum base.

These highly ergonomic chairs are designed for physicians, directors, patient intake and other healthcare personnel and applications. The components of this model make it ideal for standard desk height and higher work surfaces.

STANDARD FEATURES

Backrest: 18" wide x 19" high, lumbar curve, protective plastic back panel, height and tilt adjustment standard.

Seat: Saddle-shaped, contoured, 21" wide x 19" deep x 3" thick with waterfall front.

Controls: Standard with Task Control – Soft-touch pneumatic seat-height adjustment, fixed rearward seat tilt of 3.5°, backrest tilt, backrest-height adjustment.

Base: High-profile, polished wide aluminum base, 28.7" diameter; European-look delivers impactful aesthetic and T-shape construction provides added stability.

Casters and Glides: Dual-wheel, non-marring polyurethane casters resist movement when the seat is unoccupied.

Fire Retardant: Meets California Technical Bulletin 117.

Metal Parts: FCW Series chairs have a black powder-coated finish as standard or a chrome-plated finish when specified with a C option code.

Warranty: 13 years.
