KEY BENEFITS

Our products are shipped completely assembled and ready to use.

The clearview (polycarbonate) panels allows for viewing items stored inside.

Flush inside bottom allows for easy cleaning

7 gauge steel legs, provision for lagging, 6" sweep space, 3/4" hole in foot pad to anchor cabinet

Wrap around design, one piece body, 12 gauge steel

Adjustable shelves, 14 gauge steel. (shelf capacities listed are based on uniform loading)

Three-point locking device, 3/8" latch rod, 3/16" latch plate, 9/16" hole in handle and handle stop to accommodate up to 1/2" padlock shackle

Solid base allows for mobility via forklift when loaded
