TWO TIER SLIM-LINE LOCKER

Traditional two tier slim-line lockers offer two areas of storage space while only utilizing one single locker space. Each compartment has its own individual door with a built in three-point locking system. This design is used in schools, health spas, gyms or where short outer garments are worn. Each opening measures 10" wide by 32" high and comes with two hooks. The all-welded 12-gauge construction will provide years of continuous use. Models greater than six foot wide are provided with skid legs.

Safely store personal or company belongings in these 12-gauge all-welded, space-saving Mini Tier Lockers. Each individual compartment measures 18" wide, 18" deep, and 18" high, and has a padlock hasp for worry-free storage. Our original 12-compartment unit has solved storage problems for our customers with limited space.

COMBINATION LOCKER

When tool storage and personal storage are a necessity you can't beat this combination locker. This 12-gauge unit features 8 mini tier compartments on the left side and a storage cabinet on the right all built into one unit to minimize floor space. Clear dimensions of the mini tier compartments are 15 1/2" wide by 15" high each and the storage cabinet area measures 33" wide by 66" high. Overall dimensions of this unit are 72" wide, 24" deep, 78" high, and weighs 932 lbs.

Product Number...66-1/2DS-4TMT-244

## WALL MOUNTED COMPARTMENT LOCKER

Utilize the wall space in your facility for storing items such as cell phones, two-way radios, inventory scanners, calibration tools, and electronic digital equipment by adding our wall mounted compartment locker. Individual clear dimensions on each compartment measure 12" wide by 10" high. Over-all size of unit is 114" wide, 18" deep, 15 1/2" high, and weighs 432 lbs. Can also be customized to store laptop computers.

Product Number...81.4-8D-180

Product Number...54-16D-120KL

## PERSONAL CELL STORAGE LOCKER

Never bend over to retrieve your cell technology equipment with this multi-tier unit. Each unit has ample space for your personal belongings as well. Each compartment has a key lock with all locks keyed separately with a master key to fit all. Individual compartments measure 12" wide by 12" high. Over-all size of unit is 58" wide x 12" deep x 84 1/4" high and weighs 573 lbs.

## FREE-STANDING COMPARTMENT LOCKER

Twelve-gauge free-standing compartment locker is ideal for small item storage and coat storage. As with the wall mounted compartment locker, the storage lockers can be used for items ranging from electronic digital equipment to footwear depending on your application. Each opening measures 12" wide by 9" high. A wardrobe rod is included for hanging those bulky coats and jackets. This unit is shipped in three pieces and when assembled measures 90" wide, 18" deep, and 78" high. The weight of the assembled unit is 858 lbs. Unit needs to be anchored to both the floor and wall for safety precautions.

Product Number...7.56-16D-WR-180

## MULTI-COMPARTMENT LOCKER

Product Number...7.56-36D-180

You'll get 36 compartments in this one locker that measures 89" wide, 18" deep, and 78" high and weighs 1568 pounds. This unit ships completely assembled and is ready for placement in your facility. This locker comes with skid legs and needs to be mounted to both the floor and wall for safety precautions. Individual clear dimensions of each compartment measure 12 1/2" wide by 9" high.
