

## Features

**Standard Features** these features come standard with every cabinet.

### Color Options

### Shelf Dividers

- Put an end to your clutter and keep your stock separated and organized with galvanized shelf dividers
- Install and adjust without the need of tools or complicated slot patterns
- Dividers run full depth of shelf and measure 4.25" tall

### Shelf Labels, Magnetic

- Magnetic labels are easily moved for your everchanging needs
- Thick plastic sleeve keeps label clean and protected

### Galvanized Shelves

- Doubles light reflectivity within the cabinet making everything naturally brighter from front to back
- Rated for up to 1,900 lbs. each and take virtually anything you throw at them
- Resistant to rust, dents, and premature finish wear and certain chemicals.
- Each shelf is adjustable in 2-inch increments using 3/8" hex cap bolts giving you ultimate flexibility

### Exterior Label

- Quickly identify the purpose of the cabinet with an exterior label
- Interchangeable label stays secure and clear in a non-glare, plastic sleeve

### Dry-Erase Board, Magnetic

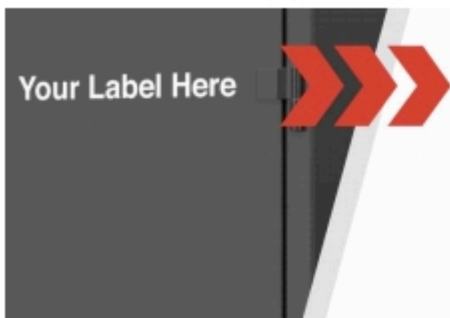

- 18" x 18" dry-erase magnetic back allows you to keep track of cabinet inventory, record daily notes, or write down your significant other's birthday
- 1 black pen with magnetic holder

## Standard Optional Accessories

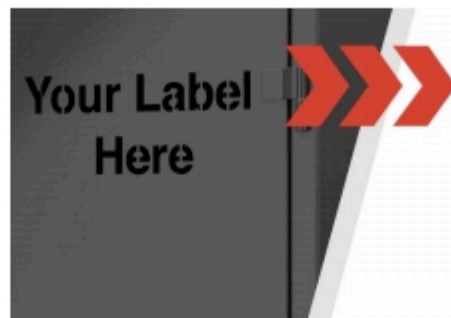

These options can be conveniently added to any Plus cabinet as an option.

### Vinyl Label Stenciling

- Clearly label the exterior of your cabinet with vinyl lettering
- Vinyl lettering – maximum of seven characters per line at 2" tall per door, priced per line
- Up to 3 lines of text
- Left or right door placement available

### Laser Cut Lettering

- Clearly label the exterior of your cabinet with laser burn letters
- Letters cut completely through door with clean, burr-free edges
- Maximum of seven characters per line at 2" tall per door, priced per line
- Add up to 3 lines of lettering
- Left or right door placement available

### Integrated Power Strip, Magnetic

- Integrated power strip allows you to charge your devices while being stored securely
- Includes five outlets and an 8-foot power cord, fed through a pre-cut opening at the bottom of the cabinet
- Easily positioned anywhere due to magnetic bracket

### Shelf Bins

- Keep track of small items with high-performance polypropylene bins
- Each bin has a 30 lbs. load capacity and a large front label slot for barcodes or ID cards
- Hopper front with curved design enables convenient part retrieval
- Save space by stacking the bins with their wide stacking ridge
- Large bins: 14-3/4" D x 8-1/4" W x 7" H
- Medium bins: 10-7/8" D x 5-1/2" W x 5" H
