MetroMax i® All-Polymer Shelving System

MetroMax i Forever Guarantee.

The strongest, most versatile,
rust-proof shelving system in the world.

MetroMax i® provides unmatched strength and stability in any application. Its lightweight, advanced polymer construction and full array of accessories deliver ultimate versatility. Its smooth surfaces protect vulnerable packaged items, allowing MetroMax i to pay for itself within 5 years... delivering continuous savings for years to come.

Smooth Protective Surfaces.

Protect delicate items.

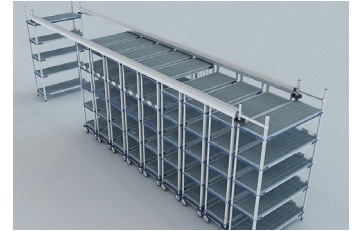

Prevent damage to valuable supplies and eliminate waste from reprocessing sterile packs.

Strongest All-Polymer Shelving.

Strong as steel in all configurations.

MetroMax i[®] delivers stability across stationary, mobile, and high density top or floor track shelving.

Shelves hold up to 800 lbs. (227kg).
2000 lbs. (907kg) per stationary unit.
1000 lbs. (454kg) per mobile unit.

Holds up to
1000 lbs.
per mobile unit

Maximum Versatility.

Best spill containment.

Easiest-to-clean.

Sectioned open-grid and full-length solid mats remove easily. Built-in Microban[®] antimicrobial product protection keeps the product "cleaner between cleanings".*

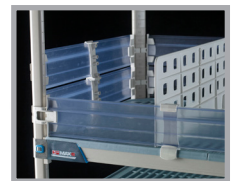

Durable.

Rugged design can handle doorways and thresholds on a daily basis. Lifetime warranty against rust and corrosion.

Efficiency.

1" (25mm) shelf adjustment to maximize use of vertical space, while a vast array of accessories provide the added storage and organization you need.
