

Top-Track® High-Density Storage
Easy Order Kits

Finally... an easier way to order.

Getting the most out of every inch is easier than ever with Metro Top-Track® High-Density Storage and our Easy Order kits. Take advantage of these great benefits:

- Floors are easier to clean.
- Utility carts can be rolled into and out of the active aisle.
- The guide track on top compensates for uneven floor surfaces and keeps units in alignment.
- Mobile units are designed to address medium-duty applications. The weight capacity of a Top-Track mobile unit is 900 lb. (410kg).

Top-Track® High-Density Storage

The numbers dont lie...

30%
More Storage.

Conventional 16' of Storage

16' of Top-Track Storage

Easy Order with one Part #.

Get all you need to create efficient high-density storage under one simple part number.
