

We put space to work.

Super Adjustable Super Erecta® Starter and Add-on Units.

Super Adjustable Super Erecta® Wire Shelving is the most advanced and innovative wire storage system available.

- **Starter Units:** Include Chrome-plated & Metroseal 3 shelves and (4) posts under one easy-to-order model number.
- **Add-on Units:** Include (2) posts, shelves, and S-hooks to connect a unit end-to-end under or at a right angle. One easy-to-order model number.
- **Corner (Right Angle) Units:** allow easy access to the shelf contents by eliminating a front post.
- **Maximum Space Utilization:** The Corner Release System encourages repositioning of shelves during initial assembly to reclaim wasted vertical space. In some cases, reclaimed vertical space will allow an extra shelving tier to be added to the storage unit resulting in a 25% increase in storage capacity!
- **Easily Assembled:** The unique Corner Release System enables quick and easy repositioning of shelves during the initial set up to accommodate different package or container sizes. "Total Assembly" is complete only after the shelves are properly spaced to maximize storage. SiteSelect™ Posts, with the double-groove visual guide feature, have circular grooves at 1" (25mm) increments and are numbered at 2" (51mm) intervals to easily identify proper shelf locations.
- **Easily Adjustable:** The unique shelf design and SiteSelect™ Posts enable "tool-free", quick adjustment at 1" (25mm) increments along the entire height of the post.
- **Strong:** Super Adjustable™ shelves hold as much weight as traditional Super Erecta wire shelving. Stationary units hold a maximum of 2,000 lb. (910kg). Maximum weight capacity per shelf evenly distributed: (48" [1219mm] or shorter = 800 lb. [363kg]; longer than 48" [1219mm] = 600 lb. [272kg])
- **Choice of Finishes:** Chrome-plated for dry storage; Metroseal 3™ with antimicrobial product protection for wet or corrosive environments.
- **Accessories:** Compatible with the entire system of Super Erecta shelves and accessories. See Catalog Sheets 10.04, 10.05, 10.06 for more information.
