

We put space to work.

## PrepMate™ Trim Station

PrepMate is a multifunctional workstation designed around the operator to eliminate space constraints and increase overall productivity. Perform tasks faster and easier in a space saving footprint with our patent pending, multi-level work surface. Take a seat, get comfortable, and be more productive in seconds with our qwikSet easy height adjustment option.

**Multi-Level:** The PrepMate Multi-Rail is design holds a standard 18"x24" perforated trim surface above standard food/steam table pans to increase work surface capacity by providing an easily accessible level of storage below the work surface. Get an increase in productivity up to 20%.

**qwikSet Height Adjustment:** Capable of 5 work surface heights (32 1/8" – 36 1/8") to allow for sitting or standing. The work station can be quickly adjusted for a variety of employee heights and tasks.

**Mobile & Stable:** Perform tasks in multiple locations and save time and labor transporting product. Four total-lock casters provide a stable work surface by locking both the caster wheel and the hub for maximum stability.

**Easy to Clean:** Wipe down and disassemble without tools for sanitation.

## Specifications:

- 1 Multi-Rail Construction:**  
16ga, Type 304 Stainless Steel, Removable without the use of tools, Glass Filled Nylon End Caps and patent pending qwikSet height adjustment
- 2 Sizes:**  
18"x36" = 19.4"x38" (493mm x 914mm)  
18"x48" = 19.4"x50" (493mm x 1270mm)
- 3 Posts:**  
24" Stainless Steel Posts
- 4 Caster Construction:**  
5" Diameter Polyurethane Wheel, 3/8" Threaded Stem, Polyester Horn, Total Lock, NSF
- 5 3-sided frames:**  
Stainless Steel 3-sided double snake frames
- 6 Height Adjustment:**  
Variable on demand. 32 1/8"– 36 1/8" in 1" increments. Height is adjusted using qwikSet easy height adjustment
