

CANNABIS PROCESSING SOLUTIONS

Trim, dry & process cannabis to perfection.

Drying.

Hang or Tray Dry with Super Erecta Shelving

Tray Drying

Pull-out rack section provide easy access and ability to exchange shelf levels. Wire shelves accomodate standard drying screens.

Shelving specifically designed for cannabis processing.

Metro Super Erecta Drying Rack

- Maximum airflow
- Shelves slide out for easy access
- Available in stainless steel
- Quickly converts from hanging to tray drying rack

Hang Drying

Open wire grid frame allows for maximum density & ultimate versatility during processing.

Clone your storage.

Movable aisle shelving takes advantage of every inch.

Metro High-Density Track Shelving

(Also available in All-Polymer Rust Proof Shelving)

- Floors easy-to-clean
- Full line of accessories available
- Overhead tracks allow unobstructed utility cart access.

Grow your capacity by up to 50%

Trimming. Wet or Dry Trim with PrepMate

PrepMate MultiStation

PrepMate is a multifunctional workstation designed to eliminate space constraints and increase overall productivity. Trim, slide, clean, store or transport in a smaller footprint. Accessorize PrepMate to maximize your cannabis process and workflow.

Multi-Level Functionality.

Streamline your process using multiple levels that work together to create a workspace that maximizes every inch. Slide stainless steel work surface to extract flowers, trim and slide back to reveal and store finished product.

ADJUSTABLE
5 Working Heights

Seated PrepMate

Reduce fatigue and provide a highly functional space to increase production time at task.

Utility where it counts.

Stainless Steel Worktables

Available in a wide variety of sizes.

Utility Carts

Available in a wide variety of styles & sizes from stainless steel to all-polymer rust proof.

Shelving

Available in a wide variety of styles & sizes from stainless steel to all-polymer rust proof.

Security from seed to sale.

Metro Security Shelving
(Available in Stainless Steel or Chrome)

Protect Valuables.

Keep sensitive items from loss or pilferage.

Visible, yet Safe.

Ready View of Contents: Heavy-gauge open wire construction keeps contents visible at all times, making it easy to check inventory.

MetroMax Polymer Security Shelving
(Polymer/Coated Wire Hybrid for wet environments)
