TOOL CARTS

TOOLS IN MOTION

ALL-WELDED DESIGN IS BUILT TO BE A TRUE SURVIVOR IN TODAY'S ROUGH AND RUGGED MANUFACTURING ENVIRONMENT

Strong Hold's roll-around tool carts and mobile work stations keep valuables safe. Their rugged design makes these cabinets the ideal maintenance work stations on wheels. These feature a 7-gauge work top with side and back guards to prevent tools and parts from falling off. Several different drawer and shelf configurations are available. Each drawer holds up to 400 lbs. The combination of 6" high swivel and rigid casters with 2" wide mold-on rubber wheels makes maneuvering easy and can withstand a 2000 lb. load. A floor lock comes standard. A handle is provided for steering.
