

# DIVIDER BOXES

- Strong stacking ridge and innovative ribbed walls ensures high performance.
- Load capacity of 40 lbs. per container.
- Compatible with many kinds of racking, shelving and material handling equipment.
- Two optional ESD-Safe Divider Box Covers are available for added product protection. A Faraday Cage is created when used with ESD-Safe Divider Boxes. Choose from the Insert Cover or Heavy-Duty Snap-On Cover.
- Anti-static cardholders available for ESD-Safe identification. See page 36 for more details.
